

**PRINCIPAL PRIORITIES**

A survey was sent to all Orinda USD's Principals, then followed-up with an interview and campus tour. The survey and subsequent conversation focused on the school's existing operations, condition of the facilities, and how well the facilities support the current/desired programs. The information gathered is included in the assessments, help shape the educational specifications, and influence the master plan diagrams.

The top 3 needs as identified by the Principals at the time of the survey and interview are:

**Del Rey Elementary**

Principal: Kirsten Theurer
