

**TEACHER & STAFF SURVEY**

An online survey was distributed to all teachers and staff. Similar to the Principal survey, the questions focused on the existing functionality of the facilities. First, they were asked to rate, on a scale of 1 to 5, the organization of the campus and its ability to support the current enrollment. Then, the questions asked them to rate the functionality of:

- Classrooms and Labs
- Student Services and Counseling spaces
- Staff and Administrative spaces
- Food Service spaces
- Shared student spaces (Library, assembly, social spaces)
- Physical Education / Athletics spaces
- Special Education spaces
- Specialized Project / Maker spaces
- the site (parking, drop-off, playfields, restrooms, etc.)

Two concluding questions asked them to select their top 3 priorities. See the following pages for the results.
